23rd November 2022

Dear parents/carers,

The PTA have been contacted by an organisation who professionally film school performances and then sell copies to parents to raise funds for school.

The recording would only be for personal viewing and **MUST NOT** be placed on any social media platform. There is an event on your scopy account where we would ask that you either decline permission or give permission for your child to be included in the video on this basis.

If lots of families decline permission then logistically we will not be able to do it but we will confirm one way or another.

Look out for more details and tickets for the performances later this week.
