Ref: Sir Tom Moore's 100 Challenge

Tuesday 20th April 2021

Dear Parents and Careers,

On Friday 30th April 2021, the school council invites you to join us in raising money for the Sir Tom Moore Foundation who have arranged a special fundraising event. This event marks the one year anniversary since Captain Tom completed 100 laps of his garden. The foundation supports a variety of charities including YoungMinds. YoungMinds are a charity that supports the mental health and well-being of children and their families. As this is a charity very close to the schools heart, we could not wait to get involved with this challenge!

Individual classes will be performing and taking part in this challenge by completing an activity with the theme of 100. The challenge will include sports related challenges or treasure hunt style activities. Class teachers will share this information with the class closer to the time!

Due to the current situation, we want to reduce the number of things coming into school, therefore we have set up a just giving page, which allows the school to go cashless. We politely ask you do not send any money into school. If you wish to and are able to donate, you can do so by visiting this website below:

<https://www.justgiving.com/fundraising/silsoe-lower-schools-captain-tom-100-challeng>

Alternatively, open a camera on your smartphone or device and scan this QR code, and select the website to take you directly to our just giving page.

Thank you for your continued support.

The School Council.

YOUNG MINDS
