2020-2021	£17,741.00 (tbc)	

In 2013 the Government allocated a specific grant of £8000 plus a premium of £5 for every pupil aged over five years to all primary schools. For Silsoe this equated to around £8,500 each year between 2013- 2017. In the summer of 2017 this allocation was doubled and so we have received additional funding since September 2017. This has meant we have received £13,718 between April 2017- April 2018 and £17,560 between April 2018-April 2019 in the next financial year which runs from April 2019 – April 2020 we anticipate receiving £18,300.

The purpose of these funds is to extend and enrich the PE and sports opportunities that can be offered in school. The funding is provided in two instalments each year one in the autumn term and one in the spring term. It is part of the Olympic legacy, is government funded and will dovetail into all of our work to encourage healthy lifestyles. At Silsoe VC Lower School the governors and teachers are concerned to ensure that this funding will be spent prudently to achieve maximum and sustainable impact.

The DfE vision for Primary PE and Sport Premium is that “all pupils leaving primary school will be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport”. To achieve self-sustaining improvement in the quality of PE and sport in our school we need to demonstrate how we are achieving this against the following indicators: -

- The engagement of all pupils in regular physical activity – this will kick start healthy active lifestyles.

- The profile of PE and sport being raised across the whole school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils. •
- Increased participation in competitive sport

The following action plan explains how we plan to use this resource in the forthcoming year to meet all of the key indicators.

PE and Sport Premium Action Plan
