## Aliens crash in Elm

### introduction

we came in school i saw police tape on elm door i felt so nervous . mrs Evans had tipsers on the bord what to do at a Alien landing? Then i got more nervous. Mrs Evans said when we go in Elm do not touck anythink because there will be no evidence.

### what I saw first

We walked down the coridor and saw the tables flipped and chairs thrown.

### what I saw in elm

I saw chork smashed on the floor. There goo on the floor it was so green. There was also some code on the floor it was drew with chork. There was tape surrounding us. There was mats from the pe cobud. I think they were trying to build thier own spaceship .Also there were masive green glasses .

### conclusion

There was loads of evidence in Elm class room. It made me so scared . I segest we put some cameras in Elm . I hope this is hellpfull your concerely poppy
